

## Robert Read

### Executive Director

B.Com, B.Arts, B.Psych, GAICD

Member of Audit and Risk Committee

Member of People, Remuneration and Nominations Committee

Director since 2015

Robert Read led MedAdvisor as CEO and Managing Director for seven years. From what was a small private company, taking it through an initial ASX listing and growing the business to now operate with a dominant market share in Australia, a huge pharmacy network in the US and evolving business in the UK.

Robert has extensive commercial experience in a wide range of businesses, including Director of Commercial Strategy and Operations in one of the world's leading pharmaceutical companies, GSK and roles in venture capital and private equity.
