

MedAdvisor Carer Mode Consent Form

Application for Carer Access to MedAdvisor Information

By completing this form, you will be allowing your nominated carer access to see all details of prescriptions you have had dispensed in the past 12 months, and prescriptions you may have dispensed in the future at participating pharmacies (**MedAdvisor Network Pharmacies**). This includes the names of the medications you take, the dates prescriptions are dispensed, the directions provided by your doctor and pharmacist and other personal medication information (**MedAdvisor Information**).

Who should complete this form?

The cared for person (**Individual**) or their carer should complete this form. The carer must have one of the types of relationship to the Individual stated in section 2 of this form.

To enable the carer to have access, either the Individual or their carer must bring the completed form, together with satisfactory proof of identity, to a MedAdvisor Network Pharmacy. The Individual must have previously had prescriptions dispensed at the MedAdvisor Network Pharmacy selected.

A parent or guardian of a child under 13 years old can have access to their child's MedAdvisor Information without completing this form.

Two forms of identification

Whoever brings the form to a MedAdvisor Network Pharmacy – whether the Individual or their carer – must provide two forms of identification, one of which must be an original or certified copy of any one of the following:

- The photocard section of a UK driving licence
- United Kingdom passport or overseas passport
- Birth certificate

Commencing carer access

Once the pharmacy has registered this application, the carer will receive a notification informing them that the Individual has been added to their MedAdvisor account, which will allow the carer to access the MedAdvisor Information.

If the carer does not have a MedAdvisor account, they can download the MedAdvisor Service at: www.mymedadvisor.co.uk.

Duration of access

The carer will have access until the Individual or their carer informs a MedAdvisor Network Pharmacy that they are revoking the access by using the "MedAdvisor Carer Mode Access Revocation Form", which can be obtained at: www.mymedadvisor.co.uk/data-and-privacy.

Terms and conditions

By downloading or using the MedAdvisor Service, a user agrees to be bound by its terms and conditions (available at www.mymedadvisor.co.uk/Terms). If a carer is using the service on behalf of an Individual, the carer must confirm that the Individual (or their legal guardian or a person exercising an enduring power of attorney) agrees to the terms and conditions and expressly authorises the carer to use the service for the Individual's benefit. Your pharmacist can also provide you with a copy of the terms and conditions if you prefer.

Privacy policy

MedAdvisor's Privacy Policy (available at www.mymedadvisor.co.uk/privacy) describes how MedAdvisor handles the personal information of both Individuals and their carers who use the MedAdvisor Service. Your pharmacist can also provide you with a copy of the Privacy Policies if you prefer.
